FIRST SUNDAY OF ADVENT 2016

Dear Sisters and Brothers,

As I am writing this article today, it is a week before Thanksgiving, but in times when holiday happens in the middle of the week, the bulletin has to be sent in a week before. So I'm writing before Thanksgiving for after Thanksgiving, which is going to be the first Sunday of Advent. After the Feast of Christ the King of Universe, what better feast we could have than Thanksgiving, celebrating brotherhood of all America. We express our gratitude to God for all the blessings, that we have received from his goodness. Gratitude, is a very important virtue, and it is a basis for our happiness. Appreciation of the blessings makes us aware of being loved, being gifted, and that is something that we all want. But to experience it, we need to have the capacity to recognize it before God. That gratitude welling up in ones heart, becomes a wellspring of happiness. Happiness and positiveness gives us energy and helps us succeed in our dealings with others, it affirms us in who we are and what we do.

So if you feel happy and fulfilled, keep doing what you were doing, but if you aren't happy and fulfilled, look into your heart and find reasons to be grateful and you will know the difference. I know someone who daily would number himself three things for which he wanted to be grateful today. He would be very organized in it, putting himself tag notes as reminders of that reality here and there; in kitchen on the refrigerator, on bathroom mirror, on the desk etc. What are you grateful for today? I hope you had a great time with your family and friends this Thanksgiving, with good food, warm home and good rest, that you needed to be recharged with, for the time till the next long weekend. God bless everyone!!! Be grateful!!! Be happy!!! Know that you are blessed and loved by others and by God.

Our greatest way to say thank you to God is by participation in the Eucharist, when we offer to God the Father the gift of his Son Jesus made flesh in the Mass itself. We offer back the best gift ever, that we could have received. The meaning of the word Eucharist is *Thanksgiving*, that is the whole purpose of it and goal as well. It is a prayer of gratitude for the blessing of salvation. There is no greater reason to be grateful for. That gift embraces all people of all times and places. "For God so loved the world that he sent his only Son, that everyone who believes in him might have eternal life." For this, our gratitude shall never end and will not end, as we will praise and worship and adore God for all eternity.

On other hand we are beginning the season of Advent, awaiting the promise of salvation to come through. Come Lord Jesus!!! That is the Advent project; to look at the promise than realization of salvation given already in the garden of Eden to Adam and Eve after the original sin and rebellion against the love and faith in God. To be restored to our original innocence, we go through whole history of salvation, that is: Advent, Christmas, Ministry, Passion, Death and Resurrection of Jesus. Let us open our heart to the saving grace, that is offered to us in the process of this liturgical year starting with the season of Advent.

Let us give ourselves to God and he will grace us with his love and blessings.

God bless you all and always!!!!

Fr Stan

God of Love,
Your son, Jesus, is your greatest gift to us.
He is a sign of your love.
Help us walk in that love during the weeks
of Advent, as we wait and prepare for
his coming.
We pray in the name of Jesus, our Savior.
Amen

L'Année Liturgique

Chaque Année, ce sont bien les mêmes fêtes que célèbrent les Chrétiens.

Bien plus que des repères, les fêtes Chrétiennes sont, a chaque fois, des
événements dans lesquels le croyant puise une énergie nouvelle pour sa
marche vers le jour de Dieu. Cette marche est un combat de chaque instant
avec des attentes (l'Avent), des commencements et des naissances (Noel),

des luttes et des interrogations (le Carême), des victoires et des
résurrections (Pâques), des communions au-delà des langues, races et cultures
(la Pentecôte). Les Chrétiens célèbrent ces fêtes en essayant de les vivre. Ils avancent et font
des progrès, tendus entre la première Pâque du Seigneur et sa Pâque Glorieuse au dernier
jour. Impossible donc de comparer l'année de l'Eglise a l'année scolaire avec son début et sa
fin. L'année de l'Eglise, au lieu d'un perpétuel recommencement, est un perpétuel devenir.
