From the Pastor- Fr. Stan

July 2, 2017

Dear Sisters and Brothers,

We are already in summer and vacations are in progress. It's time of rest for all children and youth, and I hope so, for all parents as well, even if they may have to go to work, but they don't have to follow the school schedules, if they have school children. But even for those who work, on Long Island it is easy to find active rest, using our water closeness, the beaches and other parks, to enjoy some break, from ordinary time of the rest of the year. So in summer we are really favored, to find close places to enjoy beautiful sunshine and different bodies of water, with different waves and temperatures and patterns. I like Long Island for the beauty of its nature and the vastness of nature parks and possibilities for enjoyment, if one wants to find something to enjoy, be it in nature or man made. We can take a train and easily go to the City for all kinds of fun.

When I was in Cutchogue on North Fork, when people said that they were going to the City, it meant that they were going to Riverhead. Funny, no ??? But as for the farmland with farms and vineyards, wineries , beaches and bike riding places, many people didn't want to go west towards more populated part of our beautiful Island. Let's find time to enjoy family and friends, nature and other opportunities to rest and to praise God for the blessings of our lives. We can see God in all things, if we open our minds and hearts, we can praise Him in all things that we do. Let's find time to nourish our souls by participation in the Eucharist. Let's find time for God, and God will find us for a blessings, that we need.

I wish you all a great weekend of the 4th of July, with your family and friends. We are so blessed as a country, to be the land of the free, because of the courage of the brave, who throughout two centuries, gave their everything for the service of others. Independence is not free - it was paid by the brave, by the service men and women of all those years. We can not forget that, we need to continue to cherish the benefits of democracy, living in peace and harmony with God and with others. Our national INDEPENDENCE- can't be misunderstood for total doing what one wants. It is our Independence from foreign governments, but through it we subject ourselves to the government of our own, that follows the Constitution and other laws, that are decided by majority of population and all states together. So actually we make ourselves DEPEND-ENT on the government, that we are called to choose every so often.

We are as well always DEPENDENT on God, even more so than on our government, because from governments we receive rules for living together with others here on earth, from God we received our lives and all that we are and will be. Our DEPENDENCE on God is total, for every breath we take, for every day we live, for everything we need and use. Only God can save us from our sins, only God can save us from death, and only God can give us eternal life. This is why we are so desperately in need of God and god's sustaining us, in this life and in next.

This is the reason why those who know the Lord are happy and blessed, they find meaning and happiness in life and even in death, knowing that as the psalmist says: For ever I will sing the goodness of the Lord. For the reason of those promises that Jesus makes, those strong statements in the Gospel of this Sunday, telling us: that we can love no one more than God, not even our parents, not even our children, but that we have to take up the cross that life deals to us, and follow Jesus humbly. It's all about humility of faith in face of life and it's challenges. It is about having faith and practicing it, because the promises and rewards are great.

Happy 4th of July !!! Happy Independence Day !!!

President Trump will visit Poland on the 6th of July, as we are good allies of USA and we gave America a few heroes to fight and win the Independence from Britain. If you remember from history: war heroes PULASKI and KOSCIUSZKO, were Poles and they made considerable contributions to the Independence of USA. Now in Poland we need USA support against Russian imperialism as they sponsor war and terror in neighboring Ukraine. God help us !!!

God bless America !!!!

God bless Poland !!!

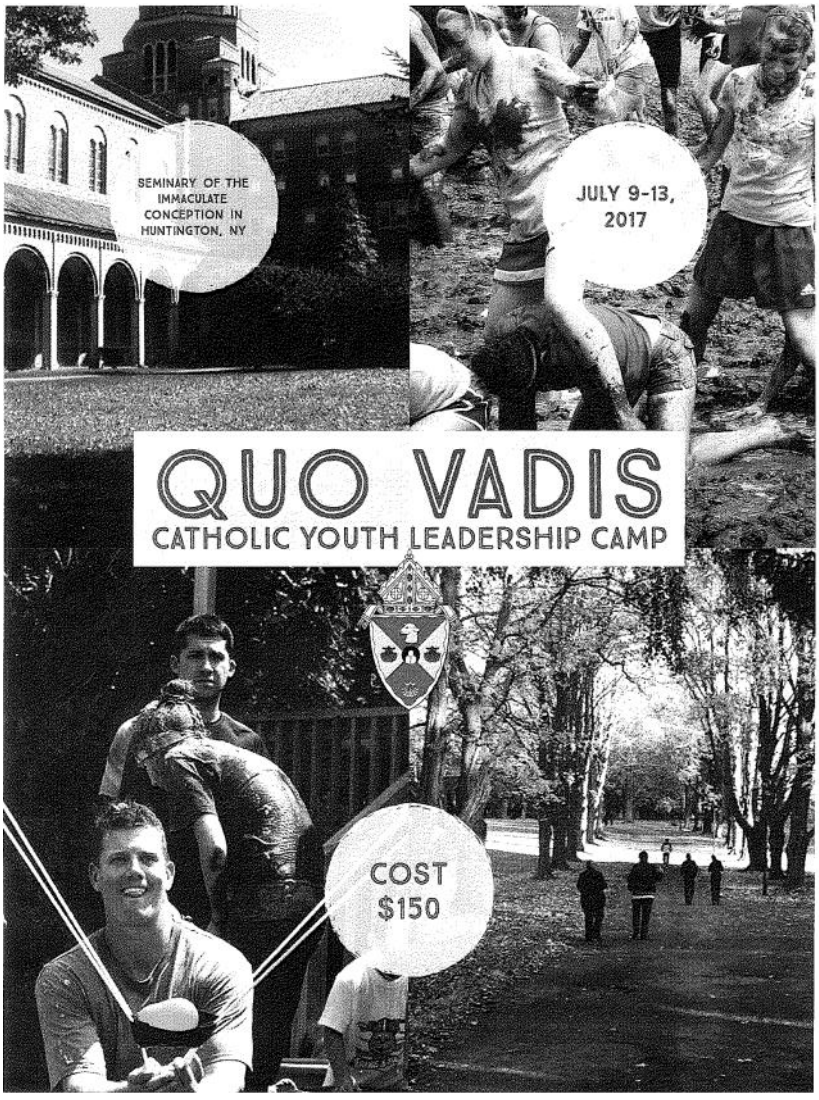
TODAY'S PETER'S PENCE COLLECTION

This weekend our diocese will take up the Peter's Pence Collection, which provides the Holy Father with the funds he needs to carry out his most important charitable works. The proceeds benefit the most disadvantaged: victims of war, oppression, and natural disasters. Through your generosity, we can cast the peace of Christ upon the world.

La semana antes de la Colecta

Nuestra diócesis llevara a cabo la Colecta Peter's Pence, la cual le proporciona al Santo Padre los fondos que necesita para realizar sus mas importantes labor caritativas. Lo recaudado en la Colecta beneficia a los mas necesitados: a las victimas de Guerra, de opresión y de desastres naturales. Por medio de su generosidad, estaremos esparciendo la paz de Cristo por el mundo.



quovadislongisland.org

Quo Vadis Long Island is a five day/four night summer camp for young Catholic men and women ages 14 to 18 who are the future missionary disciples and faith leaders here on Long Island.
The camp is an opportunity for them to encounter and learn more about Vocations, to deepen their faith, and to better discern God's call in their lives.

The Program was created in an effort to respond to Bishop John Barres' call for Dramatic Missionary Growth here in the Diocese of Rockville Centre.

Confrérie St Michel

En préparation de la fête de la pentecôte

Le groupe Charismatique Confrérie St Michel

Tiendra des sessions de ”la vie dans l’esprit ”,

dans le but d’obtenir un renouveau d Esprit Saint

Sur notre communauté qui en a tant besoin ….

Tous les Samedis de 7hrs a 9hrs dans la Chapelle St Joseph de l’église St Ann a Brentwood.

Accueillir l'autre

Accueillir l'autre, c'est tout autant écouter ses confidences, partager ses joies, que le comprendre a demi-mot. C'est a l'accueil que nous réservons au plus petit des croyants que se mesure notre accueil du Christ lui-même. La première lecture représente une sorte de parabole de l'hospitalité orientale. Grace a l'entremise du prophète Elisée, la générosité de la Sunamite sera récompensée au-delà de qu'elle osait espérer. C'est aussi d'accueil et de disponibilité qu'il est question dans l'Evangile de Matthieu qui nous est présenté aujourd'hui. Quiconque accueille le disciple accueille aussi le maitre, et accueillir Jésus, c'est accueillir le Père qui l'a envoyé. Que le messager soit un prophète, un juste ou un simple disciple, l'enjeu est le même: en accueillant ou en refusant l'un de ces émissaires, c'est Dieu même qu'on accueille ou qu'on refuse. Mais, ce Dieu n'est pas la simple projection de nos rêves. Il nous dit par son Fils:" Qui veut garder sa vie pour soi la perdra; qui perdra sa vie a cause de moi la gardera."
